

Home Learning	Year R	
	Date: 26.09.25	

Reminders:

Each week we have a Gospel Value which we focus on. On a Friday we have a celebration assembly where two children from each class receive a certificate for showing that Gospel Value throughout the week.

This week's winners are Grace and Giorgio – Well done to our first two!

Echo Class Photograph

A date has not yet been confirmed for the Dorset Echo photograph. We will send a Parentmail when it is confirmed. You should have already given permission or opted out with the office when you filled initial paperwork out, if unsure please contact the office as soon as possible.

TenTen

You should have received a slip in your child's book bag this week with the login details for the Life to the Full Parent Portal. We use Life to the Full to teach PSHE and RHE in school. You can then log onto the parent portal to see what the lessons entail and it allows you to discuss them with your child if you wish.

Next week, we will be completing lesson 1 from module 1, unit 2 titled ***I am Me***. This session helps children learn that they are uniquely created by God and special because they are made and loved by Him. As children explore in more detail their uniqueness and what that means in real terms, this session aims to celebrate difference as well as individual gifts, talents and abilities.

Tapestry

Thank you to all those who have been engaging with Tapestry so far. It has been lovely to see how many children have been practicing their phonics in lots of different ways. Please note that if you would like to send one of the Reception Team a message, the best way to do this is to call the office and leave a message or ask for a phone call back and one of us will get back to you when we can. We may not see or respond to

Tapestry messages as quickly. Alternatively, if it is a shorter message you can always speak to us on the door at drop off and pick up.

Home Learning Tasks	
Reading	Phonics
Please read your child's books they bring home with them and any others they have at home. Please record each time they read in their reading diary. Reads will be counted from Friday 20 th September. Children can earn certificates and badges as their reads increase.	Please see the homework task below linked to what your child has been learning this week.

Phonics Homework

This week, the children have learnt the sounds i, n, p, g, and o. We have practiced writing the sounds learnt so far and have started building 3-letter magnetic words by sounding them out use fred fingers and then building the word with the letters. This week's home activity is to look at the pictures below and see if you can spot which pictures start with the sound n. You could circle them or tell an adult.

Find and circle all of the things that begin with **n**.

n
