In PSHE next week, we will be completing lesson 2 from unit 1, module 2 titled *Heads, Shoulders, Knees and Toes*. The session starts with children exploring the movements their bodies can make by taking part in a story where Freddy Teddy and Mollie the Cat take a morning walk. The rest of the session helps children realise how wonderful their unique, God-given bodies are. The session also briefly discusses, in an age-appropriate way, that privates are private.

Home Learning Tasks	
Reading	Phonics
Please read your child's books they bring home with them and any others they have at home. Please record each time they read in their reading diary. Children can earn certificates and badges as their reads increase.	Please see the homework task below linked to what your child has been learning this week.

Phonics Homework

This week, the children have learnt the sounds e, l, h, r and j. We have practiced writing the sounds and have started building 2 and 3-letter words using sound cards and using fred fingers to write the words.

This week's home activity is a letter hunt! When you are reading a story book at home, encourage your child to look for any sounds they have learnt so far (m, a, s, d, t, i, n, p, g, o, c, k, u, b, f, e).

If they find them in a word, challenge them to write the word(s) below to show the class and hang up in our writing area!
