Year 2 Topic Newsletter 25.09.2020

This week's learning:

This week in English we have written our own version of the Gingerbread Man. We have looked at how we can twist the events or characters around – the children have written stories of the Shortbread Man or Flapjack Man!

In maths we have looked at number sequences which count up or down in 10s, 5s and 2s. It is worth practicing these times tables with your child.

In RE this week we have looked at how we should give thanks to God for the wonder of Creation and how we can follow in God's footsteps.

Thought for the Week

This week our liturgy was based around the Gospel Value of kindness. Please discuss this with your child and ask if they have any examples of showing kindness to others this week.

TT Rock Stars

As you now have logins for TT Rock Stars – how many coins can your child earn this week to design their avatar?!

School Council

Next week we will be voting for our two school councillors for Year 2. Please talk to your child about whether they wish to be considered – and to think of reasons why they think they would make a good school councillor.

IXL Home Learning

This week English and Maths home learning has been set for your child on IXL. IXL is an interactive learning platform that can be accessed via a computer, tablet or smartphone. You can access it either through navigating to this address <https://uk.ixl.com/signin>.

Thank you to everyone who has accessed and completed the IXL tasks from last week. There are some children who have not yet logged on – it is really important that this home learning is completed **every week** to support work in class.

This week your child should complete:

Purple Group	Green Group	Blue Group
